There's a clatter of words, it's a party
I'm lost in here
I move closer, my lips are dry
I'm lost in here
I could've seen her on another night
If love last forever
Does love last forever?
Does love last forever?

Excuse to move
I'm groomed just right
My hair is dry

Her hair is dry

Glad at last
Now the pleasure's gone
What have I done?
Is the fear so wrong?
I race my lines and I've said before
The pressure's right, but the fear
What's that for?

Love lasts forever
Love lasts forever
Love lasts forever
Love lasts forever

The body moves in perfect time
Excuse to move
I'm groomed just right
I fear the worst
I look all wrong
The body aches
The fear
What's that for?

We laughed a lot and said goodbye
Look aside, hands together
Will you come home with me tonight?
Will you come home with me tonight?

Love lasts forever
Love lasts forever
Love lasts forever
Love lasts forever
