"Maybe This Day"

Maybe this day will be

The happy day

When all my hopes turn out right

Maybe this girl will be

The lucky girl

Who'll come back with me tonight

Tonight

Tonight

Maybe this girl will be

The lucky girl

Or it'll end in tears

Maybe she'll take me home

Or make me run

She was bound to win

She said "Oh oh, oh oh"

Maybe this girl dance with me

Maybe tonight

Maybe tonight
