I've been lost with no trace couldn't shake the image of
your face. Since
We touched, I couldn't rest until I was in your arms
again. Like oh, oh I'm
Losin' control and oh, oh I think you should know woah.
You should know you
Should know you were all (you were all) all my life.
(Chorus:) You were all
My life (x8) I can't eat, I can't sleep. I can't dance til
you're with me
Cuz you are all my life you are all my life. I'm at war
with my heart. Boy
You had me trippin from the start. Dim the lights til it's
dark. All I want
Is to be in your arms. Like oh, oh I'm losing control and
oh, oh I think
You should know (chorus). In my eyes I see my head in
your arms again. You
Are all mine for all time. Never let me down. I can't eat,
I can't sleep, I
Can't dance til you're with me cuz you are all my life
you are all my life
(Chorus)
