Oh, oh, oh yeah
Fighting feelings and pain
Oh God, show me a brighter way
Seems like a lifetime of waiting
Trying to forget your pains
I'm fighting these feelings barely
Oh God, show me a better way

I'll do whatever it takes to heal the hole inside of me
For all of your mistakes I forgive you
If I never let this go
My heart will never know a better way for all of your
mistakes
I forgive you, I forgive you

I can't go back and change things
So I chose to live in the past
I'm holding to pain that brings me nothing
Oh Gos show me a better path

I'll do whatever it takes to heal the hole inside of me
For all of your mistakes I forgive you
If I never let this go
My heart will never know a better way for all of your
mistakes
I forgive you, I forgive you

I forgive you, I forgive you
I forgive you, I forgive you
I forgive you, I forgive you
I forgive you, I forgive you
I forgive you, I forgive you

I'm letting it go

I'll do whatever it takes to heal the hole inside of me
For all of your mistakes I forgive you
If I never let this go
My heart will never know a better way for all of your
mistakes
I forgive you, I forgive you
