I'm on your... waiting to silence...  
Feels like you've changed to me...  
Catch me... universe  
The whole of this...

... I'm travel and fun  
Just me and my heart to show... hey.

Chorus:  
Shut up while I'm dreaming can't you see I'm busy  
If you... that I'm not...  
I'm dreaming I'm... ohh  
I'm dreaming, I'm...

My destination is my reality  
And though it's taking me and I'm...  
Awkward... in the universe... no counting on  
We...

...  
I'm travel and fun  
Just me and my heart to show a... hey.

2 x Chorus:  
Shut up while I'm dreaming can't you see I'm busy  
If you... that I'm not...  
I'm dreaming I'm... ohh  
I'm dreaming, I'm...

Tomorrow...  
I am on your...  
Everything you're looking for... tell me to.

[Chorus:]
