Talking

I don't understand
What did i do to make you so suspicious of me?
I've been faithful
See...
If you can't back up
You can leave!

Verse 1

You can't expect to grope me like your others
When you gon' catch me so you watch me close
You like to take me from under your microscope
Trust you won't find nothing...there's nothing

If you're not careful I'll be M.I.A.
Stay double checking, why you so suspicious of me?
This paranoia about to make me make you vacate
That's what I said, yeah that's what I said

Chorus

All in my way-ay-ay
In my fa-ace
Dealing with your head-aches
Giving me a head-ache
I can't take it
Give me my privacy
Or back and let me breathe
Don't keep me under surveillance

Verse 2

I'm on your radar, there's no escaping your range
There's no mystery, there aint no case to solve
I'm not the enemy, I'm on your side could you
Quit searching, let down your guard

If you're not careful I'll be M.I.A. (M.I.A.)
Stay double checking, why you so suspicious of me?

(Suspicious of me)

This paranoia about to make me make you vacate (Me
make you vacate)

That's what I said (Yeah), yeah that's what I said (What I
said)

Chorus

All in my way-ay-ay

In my fa-ace

Giving me a head-ache (Giving me a headache now)

I can't take it

Or back and let me breathe (Oh oh oh)

Don't keep me under surveillance

Bridge

(Why you keep me under)

Why you keep on surveillance (Oooh)

Why you watching all the time (Oh oh ooh)

Through the night

Can I get some room

Can I (?) (Can I (?))

Why you keep me on surveillance (Can I)

Why you watching all the time

All the night

All in, all in, all in, all in..

Chorus

All in my way-ay-ay (Ohh ooooh)

In my fa-ace

Dealing with your head-aches

Giving me a head-ache (Giving me a)

I can't take it (Oohhh)

Give me my privacy (Privacy)

Or back and let me breathe (Let me breathe)

Don't keep me under surveillance (Keep me under

All in my way-ay-ay (In my way)

In my fa-ace (In my face)

Dealing with your headaches (The headaches)

Giving me a headache

I can't take it (I cant take it no)

Give me my privacy (My privacy)

Or backup and let me breathe (And let me breathe)

Don't keep me under surveillance (Surveillance)
