The Knife Is On The Table.  
I Put Myself To Sleep.  
All I Know Is All I Know.  
Remember What You Sow Is What Reap!  
Why Can't I Fucking Believe You?  
This is Your words For Me.  
A Little Sheltered Girl Is What I'll Always Be.  
So Loving And Considerate.  
Too Scared Of What I'll Be.  
I Look Into The Mirror, The Whore Is All I See.  
Like You. Like Me.  
Diminished, Self important, I'll never see.  
Like You. Like Me.  
I Never Want To Be Like Me.  
Do You Think I'm A Whore?  
I'm A Whore (4x)

Why can't I Fucking Believe You?  
This is Your Words For Me.  
A Little Sheltered Girl Is What I'll Always Fucking Be.  
So Loving And Considerate.  
Too Scared Of What I'll Be.  
I Look Into The Mirror, The Whore Is All I See.  
Like You. Like Me.  
I'll Never Cheat. I'm stubborn you see.  
Like you. Want Me. Know Me. For Eternity.  
I'm A Whore (8x)  
Haha. Haha. I'm A... Whore.
