We all know the chosen toys,
Of catty girls,
And pretty boys
Make up that face to win the race.
Life's a bitch in this town.
Suck my dick in this town.

This town is our town
It is so glamorous,
I'd bet you'd live here
If you could
And be one of us.
This town is our town,
So fucking glamorous
I'd bet you'd live here
If you could
And be one of us.

Change our minds
Like we said before,
We're all dreamers,
We're all whores.
Discarded stars like worn out cars
Litter the streets of this town.
Litter the streets of this town.

This town is our town
So fucking glamorous,
I'd bet you'd live here
If you could
And be one of us.
This town is our town,
So motherfucking glamorous,
I'd bet you'd live here
If you could
And be one of us.

Break it down boys.
Human Waste in the house (x3)
Here we fucking go.

This town is our town,
So fucking glamorous
I'd bet you'd live here
If you could
And be one of us.
This town is our town
So motherfucking glamorous
I'd bet you'd live here
If you could
And be one of us.

This town (x3)
