I only just turned 15
Im filled with hopes and dreams
I turn my radio on and
I hear the strangest song

Im afraid of Brittany Spears, and Christina Agularia
Backstreet boys and Nsync
I dont know what to think

[Awooooooh
Awooooooh
Awooooooh
Awooooooh]

Its sick they way they dress
I heard they all have fake breasts
One thing il do if i can
Is go on Brittany's bus and get a tan

They dance like they need a cure lets
Get the number of a chorographer
Doesn't worry about what we'll think
They took the time to learn to lip sync

now we
remember and
believe
the memory
believe
the memory
believe
the memory

Im afraid of Brittany Spears, and Christina Agularia
Im afraid of Brittany
Im afraid of Brittany Spears, and Christina Agularia
Im afraid of Brittany
Im afraid of Brittany Spears, and Christina Agularia

Backstreet boys and Nsync

I dont know what tho think
Im afraid of Brittany Spears, and Christina Agularia
Backstreet boys and Nsync
I dont know what to think
