For those who fancy
Coloring books
And lots of people do
Here's a new one for you

A most unusual coloring book
The kind you never see
Crayons ready, very well
Begin to color me

These are the eyes
That watched him
As he walked away
Color them gray

This is the heart
That thought he would
Always be true
Color it blue

These are the arms that
Held him and touched him
Then lost him somehow
Color them empty now

These are the beads I wore
Until she came between
Color them green

This is the room I sleep in
And walk in and weep in
And hide in that nobody sees
Color it lonely, please

This is the man
Whose love I depended upon
Color him gone
