An act of desperation.  
When will this ever end?  
My sorrow turns to hatred.  
I'll get my sweet revenge.

Lies, deception.  
I've never been so strong.  
Lies, deception.  
I've never been so wrong.

Never again, will I let this.  
Never again.  
You'll beg for mercy now.  
Never again, will I let this destroy my plans  
You'll beg for mercy.

I'm bitter to the core now.  
I've seen those kingdoms fall.  
All trust has crumbled slowly,  
I'll build up higher walls.

Lies, deception.  
I've never been so strong.  
Lies, deception.  
You've never been so wrong.

Never again, will I let this.  
Never again.  
You'll beg for mercy now.  
Never again, will I let this destroy my plans.  
You'll beg for mercy.

(Guitar solo)

Never again, will I let this.  
Never again.  
You'll beg for mercy now.  
Never again, will I let this destroy my plans.  
You'll beg for mercy.
