Not Feeling, Not Nothing.  
Good Intentions But Jealousy Takes Over All.  
Excuses, Abuses.  
This Time I. Know Its Not Over so Why  
Take All My Pride And I Shove It Back Down Inside.  
This Time harassment's gone to far.  
GET AWAY FROM ME! STAY THE FUCK AWAY FROM ME!  
[4x]  
He Wanted More. Wanted a Silenced Whore.  
You Were My Life. Kill Me Now And Burn My Soul.  
GET AWAY FROM ME! STAY THE FUCK AWAY FROM ME!  
[4x]  
What Is It Me? You Can't Go Out At Night.  
Answer Me. Tell Me About Your Others, I've Started To  
Like That  
Answer Me. What About All Those Times  
You Looked Me In The Eyes And Said You Lied.

You Know Its Over, Its Over.  
What do you see in Me? I Can't Go Out At Night.  
Answer Me. Tell Me About Your  
Others, would You Like That. Answer Me. What About All  
Those Times  
You Looked Me In The Eyes And Said You Lied.  
You Know Its Over, Its Over. What do you see in me? I  
Can't  
Go Out At Night. Answer Me.  
Tell Me About Your Other Stories Like that. Answer Me.  
What About All Those Times You Looked Me  
In The Eyes And Said You Lied.  
You Know Its Over, Its Over. I'm through...  
GET AWAY FROM ME! STAY THE FUCK AWAY FROM ME!  
[4x]  
You, Sold Your Soul To Me!
