The path through life!
Unseen and unheard!
Of babies' breath or less!
Blind to the truth!
Like sheep led to slaughter!
A rose will bring an end to this!

Let them fall behind, let them see
Vanishing the light

Destroy the weak!
Learn to think before you speak!
Oww!

Ready, aim...riot!
Ready, aim...riot!

Enslaved like beasts!
By unseen hands!
Your kind will cease to thrive!
To burn like brush!
The flames arise!
Until nothing's left alive!

Let them fall behind, let them see
Vanishing the light

Destroy the weak!
Learn to think before you speak!

Ready, aim...riot!
Ready, aim...riot!

Destroy the weak!
Learn to think before you speak!
Let's raise the bar!
Rid us of the ones who are...!

[Brief Instrumental Break]

Destroy the weak!
Learn to think before you speak!

Let's raise the bar!
Rid us of the ones who are...!

Ready, aim...riot!
Ready, aim...riot!

Ready, aim...riot!
Ready, aim...riot!
