COWARD!!

spit i think i'll spit

For all those girls, who speak contradiction

The guy who crept through the shadows

everyday to clutch his own conclusion

Watch all the blood,

as it drips from your veins you coward Godspeed,

may your death come quickly

i think i'll take this hate and,

SPIT, SPIT, SPIT

Now as it's passed onto the next one

I feel a bloodrush come right over me

You know you will never be right

in the eyes of the ones who know

You trusted the devil and she will betray you

Low

Why do i get shit all the time from you men You are

swine You think dick is the answer But its not(x2)
