This town is our town so motherfucking glam

We all know the chosen toys,
Of candy girls
And pretty boys
Make up that face to win the race
Life's a prick in this town
Suck my dick in this town

This town is our town
It is so glamorous,
I'd bet you'd live here
If you could
And be one of us
This Town is our town
so fucking glamorous
I'd bet you'd live here
If you could
And be one of us

Change your mind
Like we said before,
We're dreamers
We're whores
Discarded stars like worn out cars
Litter the streets of this town - 2x

This Town is our town
so fucking glamorous
I'd bet you'd live here
If you could
And be one of us
This Town is our town
so motherfucking glamorous
I'd bet you'd live here
If you could
And be one of us

Break it down boys
Human waste in the house - 3x
here me fucking go

This Town is our town
so fucking glamorous
I'd bet you'd live here
If you could
And be one of us
This Town is our town
so motherfucking glamorous
I'd bet you'd live here
If you could
And be one of us

This town - 3x
