Curse your name
A thousand times
Love and hate
Worlds collide

Doors swing open
Fate decided
Take that first taste
In your arms it kills me slowly

[CHORUS]
And I love
You for all
All these nights
I can't remember
And I hate
You for all
All these nights
I WANT TO FORGET!

Amber love

Say my name
Whisper disappointment
Bring me heartache

Doors swing open
Fate decided
Take that first taste
In your arms it kills me slowly

[CHORUS]

I DON'T KNOW WHY I LIKE THE FEELING!
YOU ALWAYS SEEM TO LET ME DOWN!
AND I'M NOT ONE FOR DISAPPOINTMENT!
BUT I WILL DRINK YOU 'TIL I DROWN!

[CHORUS]
