

Kittie **"Wolves"**

Visit "[Wolves](#)" on MotoLyrics.com

It crawls along the floor subdued
Nothing amounts to
Nothing realizing
Nothing afraid of
Nothing act upon
Nothing stopping at
Nothing consider
Nothing consequence
Nothing
Comes Back
Like Wolves!
Hydra dead times six cowering

Nothing amounts to
Nothing realizing
Nothing afraid of
Nothing act upon
Nothing stopping at
Nothing consider
Nothing consequence
Nothing
Comes Back
Like Wolves!
If I could, I would have begged you
