She is floating like a butterfly
So charming (Baby Girl)
She recognise the man in me
(Number 1 in a de world)
There's something in her eyes
Like a spell getting me hypnotized
Ooh Lord
She give me one smile
Two smile
Tree smile
She got me going wild
(Worth more than Diamond and Pearl)
So baby don't change your smile (Sweet Honey)

Tease me. tease me
Tease me. tease me
Baby
Till me lose control
Tease me with your loving
Until I lose control
Take all my body and soul

Woman your love is like burning fire in me soul
Tease me woman till I lose control
Woman your love is like burning fire in me soul
Woman tease me till I lose control

Me ball tease me and tickle up me fancy
Right round the clock until me reach climax
A when m reach me will tell you to stop
We a aim fe de the sky
And we na turn back

And suddenly I think I find the love

That I was searching for
Holding confidence
That will never never fail
Hearing angel voices
Singing love prevails
Ooh darling
Oh eh come closer to me

And me ball out

Tease me
Tease me
Tease me
Baby
Till I lose control
Tease me with your loving
Until I lose control
Take all my body and soul

I will never forget
The first time we kiss
It's like striking gold
Catching a big fish
Yes you are on top of my romance list
Second to none you defeat the favourite

Woman your love is like vurning fire in me soul
Tease me woman till I lose control
Woman your love is like burning fire in me soul
Woman tease me till I lose control
And even if my mind should resist ooh yeah

Tease me
Tease me
Tease me
Baby
Till I lose control
Tease me with your loving
Until I lose control
Take all my body and soul
