Sweet Kentucky Rose
You're always in his heart
He dreams about you every day

Sweet Kentucky Rose
He's sorry you're apart
He never should have gone away

[CHORUS]
He'll be coming back
To hold you once again
And settle where the bluegrass grows

[REFRAIN]
He'll build a little home
Then he will never roam
From his sweet Kentucky Rose

He dreams about you every day

He never should have gone away

[Repeat CHORUS]

[Repeat REFRAIN]
