[Verse]:

Last night I started out happy,
Last night my heart was so gay,
Last night I found myself dancing
In my fav'rite cabaret.
You were completely forgotten,
Just an affair of the past.
Then suddenly something happened to me,
And I found my heart beating, oh so fast.

[Chorus]:

I saw you last night and got that old feeling.
When you came in sight I got that old feeling.
The moment that you danced by I felt a thrill,
And when you caught my eye my heart stood still.
Once again I seemed to feel that old yearning.
And I knew the spark of love was still burning.
There'll be no new romance for me,
It's foolish to start,
For that old feeling is still in my heart.
