All the time, yes darling, all the time  
Tenderly, constantly I'll love you  
Every day I'll prove it every day in happiness  
Or loneliness I'll love you.

Other arms may tempt me  
Don't let it worry you  
For even when they tempt me  
I'll never be untrue.

All the time, yes darling, all the time  
Through the years, smiles or tears, I'll love you.

--- Instrumental ---

Other arms may tempt me  
Don't let it worry you  
For even when they tempt me  
I'll never be untrue...
