As long as I live if it be one hour
Or if it be one hundred years
I'll keep remembering forever and ever
I'll love you, dear, as long as I live.

It was easy said that night we parted
That we'd forget we'd ever met
I haven't forgotten, I wonder if you have
Or if your heart is full of regret.

As long as I live if it be one hour
Or if it be one hundred years
I'll keep remembering forever and ever
I'll love you, dear, as long as I live.

--- Instrumental ---

I never thought that night we parted
That life without you would be this bad
It may sound funny but I can't forget you
The only happiness I've ever had.

As long as I live if it be one hour
Or if it be one hundred years
I'll keep remembering forever and ever
I'll love you, dear, as long as I live...
