The sun comes up and brings the dawn as usual  
When I awake I'll find you're gone as usual  
But I can't find a way to let this crazy heart of mine  
forget  
I pretend you're still beside me as usual.

Each evening I take a walk as usual  
I make believe that we still talk as usual  
People always stop and stare I guess they just don't  
see you there  
Don't they know you'll always be right here as usual.

Today I looked into my mirror as usual  
I told myself that you're still here as usual  
And as I stood there telling lies the tears began to fill  
my eyes  
'Cause I know I'm only fooling myself as usual.

'Cause I know I'm only fooling myself as usual...
