Ashes of love, cold as ice
You made the debt, I'll pay the price
Our love is gone there's no doubt
Ashes of love the flames burned out.

The love light that gleams in your eyes
Has gone out to my surprise
We said goodbye and my heart bled
I can't revive your love is dead.

Ashes of love, cold as ice
You made the debt, I'll pay the price
Our love is gone there's no doubt
Ashes of love the flames burned out.

--- Instrumental ---

I trusted dear our love would stand
Your every wish was my command
My heart tells me that I must forget
I loved you then, I love you yet.

Ashes of love, cold as ice
You made the debt, I'll pay the price
Our love is gone there's no doubt
Ashes of love the flames burned out.
