Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eye
I can tell by the way you hold me, darling
That it won't be long before it's crying time

Now they say that absence makes the heart grow
fonder
And the tears are only rain to make love grow
Well, my love, for you could never grow no stronger
If I live to be a hundred years old

Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eye
I can tell by the way you hold me, darling
That it won't be long before it's crying time

Now you say that you found someone you love better
That's the way it's happened every time before
And as sure as the sun comes up tomorrow
Crying time will start when you walk out the door

Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eye
I can tell by the way you hold me, darling
That it won't be long before it's crying time
No, it won't be long before it's crying time
