(Jay Livingston - Ray Evans - Henry Mancini)

Dear heart wish you were here to warm this night
My dear heart it seems like a year since you went out of
my sight
A single room a table for one
It's a lonesome town alright.

But soon I'll kiss you hello at our front door
And dear heart
I hope to know
I'll leave your arms never more.

--- Instrumental ---

But soon I'll kiss you hello at our front door
And dear heart
I hope to know
I'll leave your arms never more...
