"Do You Expect A Reward From God"

If through this world of sin you travel
The straight and narrow way you do not trod
In the end when everything has been unraveled
Do you expect a reward from God?

God will give us everything he's promised
If we live for him he'll give us that reward
But if in sin you daily wander
Do you expect a reward from God?

--- Instrumental ---

If you always seek for worldly pleasures
And the tidles of this earth you choose to win
Then you'll never gain that heaven's treasure
Do you expect a reward from God?

God will give us everything he's promised
If we live for him he'll give us that reward
But if in sin you daily wander
Do you expect a reward from God?...
