(Lawton Williams - Roy Botkin - Willis Jarvis)

I'm that old German's daughter far across the deep
blue water
I still live by the old River Rhine
Where you loved me and told me that you love me only
You called me your pretty Fraulein.

If there's a doubt in your mind I'm still your Fraulein
And each night as the moon starts to shine
Where you once held my hand I'd go there and stand
I'll always be your Fraulein.

--- Instrumental ---

As the stars shine above me they tell me a story
Of our love that was so divine
As we walked by the river the two of us together
You called me your pretty Fraulein.

If there's a doubt in your mind I'm still your Fraulein
And each night as the moon starts to shine
Where you once held my hand I'd go there and stand
I'll always be your Fraulein...
