Funny face, don't leave me
Funny face believe me
My whole world's wrapped up in you,

When the road I walk seems all up hill
And the colors in my rainbow turn blue
You kiss the tears away you smile at me
And say funny face (funny face) I love you.

Funny face, I love you
Funny face, I need you
These are the sweetest words I've ever heard.

Funny face don't leave me
Funny face believe me
My whole world's wrapped up in you.

And when I hurt your feelings
That I sometimes do
And I say those mean things
That we know are not true.

You forgive my childish way
You hold me close and say
Funny face (funny face) I love you.

Funny face I love you
Funny face, I need you
These are the sweetest words I've ever heard.

Funny face don't leave me
Funny face believe me
My whole world's wrapped up in you.

Funny face I love you
Funny face, I need you
These are the sweetest words I've ever heard.

Funny face don't leave me
Funny face believe me
My whole world's wrapped up in you...
