Heaven says hello every morning when the sun says hi  
I've come to spend the day  
Heaven says hello with the songbirds and the little  
flowers  
That nod along my way.

And when the day is through and I hurry home to you  
As the twilight steals across the golden skies  
Heaven says hello when you kiss me  
And I look into the blue of your eyes.

(And when the day is through and I hurry home to you  
As the twilight steals across the golden skies  
Heaven says hello when you kiss me  
And I look into the blue of your eyes.)

And I look into the blue of your eyes...
