Gone is the sunshine we knew once
Before now we're just living a lie
But when it comes time dear to walk out the door
Well, I can't seem to say goodbye.

I can't say it's all right dear, we'll make it somehow
Let me hold you, try not to cry
I can whisper I love you till the day that I die
But I can't seem to say goodbye.

--- Instrumental ---

I can't say it's all right dear, we'll make it somehow
Let me hold you, try not to cry
I can whisper I love you till the day that I die
But I can't seem to say goodbye.

But I can't seem to say goodbye...
