I can't tell my heart that.

I can't tell my heart that you are no good
I'd give this world if only I could
You cheated and you lied and you left me flat
I now it's true but I can't tell my heart that.

Oh, foolish heart why won't you believe
That someone is gone, it's no use to grieve
Still pining for someone who will never come back
I know it's true but I can't tell my heart that.

I can't tell my heart that you are no good
I'd give this world if only I could
You cheated and you lied and you left me flat
Yes, it's true but I can't tell my heart that.

My heart still cries out, it wasn't long ago
That we were together, you said you loved me so
Somewhere out there, it don't matter where at
To you I'm forgotten but I can't tell my heart that.

I can't tell my heart that you are no good
I'd give this world if only I could
You cheated and lied and you left me flat
Yes, it's true but I can't tell my heart that...
