You think you know the smile on his lips
The thrill at the touch of his fingertips
But I forgot more than you'll ever know about him
You think you'll find a heaven of bliss
In each caress each tender kiss
But I forgot more than you'll ever know about him.

You stole his love from me one day
You didn't care how you hurt me
But you can never steal away mem'ries
Of what used to be.

You think he's yours to have and to hold
Someday you'll learn when his love grows cold
That I forgot more than you'll ever know about him.

--- Instrumental ---

You stole his love from me one day
You didn't care how you hurt me
But you can never steal away mem'ries
Of what used to be.

You think he's yours to have and to hold
Someday you'll learn when his love grows cold
That I forgot more than you'll ever know about him...
