Chorus:)

I heard my Saviour calling me

He saved my soul, he set me free

I know he'll never let me fall

Praise God, I heard my Savior call

I was a sinner travelling on

A weary road, so far from home

But now sweet heaven is my all

Praise God, I heard my Saviour call

(Repeat chorus)

I'm on my way to a better land

And there I'll join that heavenly band

All through the ages I will sing

Hosanna is my Heavenly King

(Repeat chorus)
