I heard my Saviour calling me
He save my soul, He set me free
I know He'll never let me fall
Praise God, I heard my Saviour call.

I was a sinner traveling on a weary road
So far from home
But now sweet heaven is my all
Praise God, I heard my Saviour call.

I heard my Saviour calling me
He save my soul, He set me free
I know He'll never let me fall
Praise God, I heard my Saviour call.

--- Instrumental ---

I'm on my way to a better land
And there I'll join that heavenly band
All through the ages I will sing
Hosanna is my heavenly king.

I heard my Saviour calling me
He save my soul, He set me free
I know He'll never let me fall
Praise God, I heard my Saviour call...
