I walk alone where once we wandered  
It seems so strange since you are gone  
No matter where you are out yonder  
I'll still be true and walk alone.

By stars above I swear to love you  
With all the love I've ever known  
Till you return I'll stay the same, dear  
I'll still be true and walk alone.

--- Instrumental ---

The flame of love is brightly burning  
You know that I'm your very own  
While we're apart you'll always own me  
When teardrops start I walk alone...
