I know that I won't forget you  
For I've loved you too much for too long  
Though you don't want me now I'll still love you  
Till the breath in my body is gone.

That's how it is with me and you'll always be  
The only love I ever knew  
I'll forget many things in my lifetime  
But my darling I won't forget you.

That's how it is with me and you'll always be  
The only love I ever knew  
I'll forget many things in my lifetime  
But my darling I won't forget you...
