If my heart had windows you'd see
A heart full of love just for you.

A tear may appear when I hold you near
But that's for the sweet things you do
If my heart had windows you'd see
A heart full of love just for you.

By your side I will stay till we're old and gray
Reminiscing young moments we knew
If my heart had windows you'd see
A heart full of love just for you

--- Instrumental ---

A thief couldn't steal the love that I feel
And heaven for me has come true
If my heart had windows you'd see
A heart full of love just for you.

If my heart had windows you'd see
A heart full of love just for you...
