I'm that old German's daughter
Far across the deep blue water
I still live by the old River Rhine

Where you loved me
And told me that you love me only
You called me, your pretty Fraulein

If there's a doubt in your mind, I'm still your Fraulein
And each night as the moon starts to shine
Where you once held my hand, I'd go there and stand
I'll always be your Fraulein

As the stars shine above me they tell me a story
Of our love that was so divine
As we walked by the river the two of us together
You called me your pretty Fraulein

If there's a doubt in your mind, I'm still your Fraulein
And each night as the moon starts to shine
Where you once held my hand, I'd go there and stand
I'll always be your Fraulein
