I'm gonna start with the hall
Take the pictures off the wall and burn 'em
Move the chairs around
Take the window curtains down and burn 'em

Everything I see reminds me you were here
Yeah, I'm gonna change everything
That holds a memory of you, oh yeah

The candle of your set, you gave me
On the night of my birthday
The records that you bought the Hi-Fi we loved to play
The decorating man will come and rearrange them

Yeah, I'm gonna change everything
That holds a memory of you, oh yeah
Take the carpet off the floor
Throw it out the door, it's filled with tears

Everything I find that bring you
To my mind must disappear
Every night I dream
I'll dream of someone new

Yeah I'm gonna change everything
That holds a memory of you
Yeah I'm gonna change everything
That holds a memory of you
