In the misty moonlight by the flickering firelight  
Any place is all right long as I'm with you  
In a faraway land on the trophic sea sand  
If your hand's in my hand I won't be blue.

Way up on the mountain or way down in the valley  
I know I'll be happy anyplace anywhere I don't care  
In the misty moonlight by the flickering firelight  
Any place is all right long as you are there.

I could be happy in one little room with only a table and  
chair  
As happy as I'd be in a kingdom by the sea darling if  
you were there  
And I could be rich or I could be poor but if you were by  
my side  
I could be anyplace in the whole wide world and I know  
I'll be satisfied.

Way up on the mountain or way down in the valley  
I know I'll be happy anyplace anywhere I don't care  
In the misty moonlight by the flickering firelight  
Any place is all right long as you are there...
