Jealous heart oh jealous heart stop beating
Can't you see the damage you have done
You have driven him away forever
Jealous heart now I'm the lonely one.

I was part of everything he planned for
And I know he loved me at the start
Now he hates the sight of all I stand for
All because of you, oh, jealous heart.

--- Instrumental ---

Jealous heart why did I let you rule me
When I knew the end would bring me pain
Now he's gone he's gone and found another
Oh, I'll never see my love again.

Through the years his memory will haunt me
Even though we're many miles apart
It's so hard to know he'll never want me
'Cause he heard your beating jealous heart...
