Jesus is coming soon, Jesus is coming soon
He tells us in his word to watch and pray
Jesus is coming soon, Jesus is coming soon
Be ready for he may come today.

We'll all meet together in the garden some sweet day
If we read and spread the gospel news
So let's all be ready so we can enter in
Oh, don't be late he may take you today.

Jesus is coming soon, Jesus is coming soon
He tells us in his word to watch and pray
Jesus is coming soon, Jesus is coming soon
Be ready for he may come today.

--- Instrumental ---

Don't take his love for granted as you travel through
this world
Be thankful for the likes he's given you
So walk the straight and narrow for God's love is the
way
Lift your eyes for heaven and pray every day.

Jesus is coming soon, Jesus is coming soon
He tells us in his word to watch and pray
Jesus is coming soon, Jesus is coming soon
Be ready for he may come today.

Be ready for he may come today...
