Jesus loved the devil out of me  
Yes, Jesus loved the devil out of me  
When he took me by the hand old Satan just gave up  
and ran  
Jesus loved the devil out of me.

Life for me was filled with sin and shame  
The devil had a plan to claim my name  
But just before I crossed eternal line  
Jesus let no Satan mine.

Jesus loved the devil out of me  
Yes, Jesus loved the devil out of me  
When he took me by the hand old Satan just gave up  
and ran  
Jesus loved the devil out of me.

No wills to live my future looks so cold  
The devil stood there waiting for my soul  
But just before I walked into his arms  
The king of kings my king of kings  
Reached for my hand and saved me from all harm.

Jesus loved the devil out of me  
Yes, Jesus loved the devil out of me  
When he took me by the hand old Satan just gave up  
and ran  
Jesus loved the devil out of me.

Jesus loved the devil out of me  
Yes, Jesus loved the devil out of me  
When he took me by the hand old Satan just gave up  
and ran  
Jesus loved the devil out of me.

Jesus loved the devil out of me  
Yes, Jesus loved the devil out of me  
When he took me by the hand old Satan just gave up  
and ran  
Jesus loved the devil out of me...
