Here comes the reason I'm lonely
I just saw an old mem'ry go by
Here comes what looks like a teardrop
But it's just a memory that blew in my eyes.

I could say that they're raindrops that are falling
But there's not a cloud in the sky
I could say that they're teardrops that I'm not crying
It's just a memory that blew in my eyes.

--- Instrumental ---

I felt the wind of loneliness blowing
The burning ember of old mem'ry gone by
Then I felt what looks like a teardrop
But it's just a memory that blew in my eyes.

I could say that they're raindrops that are falling
But there's not a cloud in the sky
I could say that they're teardrops that I'm not crying
It's just a memory that blew in my eyes...
