Blue ain't just a word  
It's a feeling  
A feeling of loneliness  
That I can feel right now.

Love has looked at me  
But tried to change me  
I wished that love would take me  
Just for what I am.

Just for what I am  
I want someone to love me  
Someone who won't expect me  
To feel like that old mem'ry.

Just for what they see  
Just for being me  
I want someone to love me  
Just for what I am.

Cry ain't just a sound  
It's a sadness  
A sadness that lives with me  
And follows me around.

Love wants me to be  
Someone I can't be  
I wished that love would take me  
Just for what I am.

Just for what I am  
I want someone to love me  
Someone who won't expect me  
To feel like that old mem'ry.

I want someone to love me  
Just for what I am...
