Cause your love takes good care of me  
yes your love takes good care of me

And when the rain falls and the wind blows and the  
storm is on the sea

I'll be safe your love takes care of me

When life for me gets weary and the sun refuses to  
shine

I run to the arms of the one I love and there I'll hide  
You know just what to do and say you make my life  
worth while

And when I look into your face I see heaven in your  
smile

Cause your love takes good...

I'll be safe your love takes care of me
