You don't have to give to me great riches
You don't need to prove a thing to me
All I want is love and understanding
Oh yes, darling, love's enough for me.

Love's enough for me
And your love is all I need
To make my life one happy dream
Love's enough for me.

--- Instrumental ---

You promised me the day that we were married
That you would lay the world at my feet
And darling you have always kept your promise
You know by now that love's enough for me.

Love's enough for me
And your love is all I need
To make my life one happy dream
Love's enough for me...
