Making believe that you still love me  
It's leaving me alone and so blue  
But I'll always dream, still I'll never own you  
Making believe, it's all I can do.

Can't hold you close when you're not with me  
You're somebody's love, you'll never be mine  
Making believe I'll spend my lifetime  
Loving you, making believe.

--- Instrumental ---

Making believe that I never lost you  
But my happy hours I find are so few  
My plans for a future will never come true  
Making believe, what else can I do?

Can't hold you close when you're not with me  
You're somebody's love, you'll never be mine  
Making believe I'll spend my lifetime  
Loving you, making believe...
