Evening shadows make me blue  
When each weary day is through  
How I long to be with you  
My happiness.

Everyday I reminisce  
Dreaming of your tender kiss  
Always thinking how I miss  
My happiness.

A million years it seems have gone by  
Since we've shared our dreams  
But I'll hold you again  
There'll be no blue memories then.

Where the skies are grey or blue  
Anyplace on earth will do  
Just as long as I'm with you  
My happiness.

A million years it seems have gone by  
Since we've shared our dreams  
But I'll hold you again  
There'll be no blue memories then.

Where the skies are grey or blue  
Anyplace on earth will do  
Just as long as I'm with you  
My happiness...
